RE: Corrective Measures Study Report
Grenada Manufacturing Facility
EPA ID No. MSD 007 037 278

Dear Mr. Webster:

During a telephone conversation with Mr. Don Williams at Grenada Manufacturing on August 27, he mentioned to me that you had requested an electronic copy of the draft Corrective Measures Study (CMS) Report for the Grenada Manufacturing site. In response to your request, I am sending you a CD with the CMS Report in pdf format.

My understanding is that you should be able to extract portions of the CMS Report from this electronic file for use in other documents prepared by you. However, I am told that you may have to convert portions to your office software (e.g., text portions may need to be converted to your WordPerfect format).

Please call me at (615) 250-1241 if you have difficulty with the file, have any questions, or need additional information.

Sincerely,

Brown and Caldwell
